

# SALTY SWEET PEANUT BUTTER BANANA JUMBLELAYA :•

A simple snack pulled together using a few of my favorite ingredients: peanut butter, banana, cinnamon, raisins and coconut.

**Prep Time:** 5 minutes

## Ingredients

1 banana per person

Raisins

Unsweetened, shredded dried coconut

Cinnamon

Salted peanut butter or nut or seed butter of choice

## Instructions

1. Slice bananas into a bowl, jar or mug
2. Sprinkle on cinnamon
3. Add remaining ingredients in desired quantity
4. Enjoy!

## Recipe Notes

For tree nut allergies, substitute in sunflower seed butter.

To keep the recipe raw, use a raw nut butter.
